

Customer Services – Service unlimited

Express services

24h On-site material service

Sometimes things just have to happen fast. Just in case, we will deliver your necessary replacement material within the next 24 hours after ordering. So that everything can quickly be up and running again as usual.

You can rely on that

- Delivery of ordered materials within the next 24 hours after ordering
- Material in original ProMinent quality

Clear benefits for you

- Fast delivery in an emergency
- Minimal downtimes

Our tip

With the ProMinent material boxes you are well prepared in case of emergency. Because once ordered, the boxes are stored on site and can be simply refilled when parts are used.

Ready for you.
